## Version 1.7

### IDA Projects

Enter IDA projects information below.

Columns whose names contain "\*" are required and must have values for each record to be loaded. Do not enter blank lines, as a blank line (a line with no information) will be regarded as the end

This worksheet must be saved as type "csv" in order to be uploaded to PARIS. Select "Save As" from the "File" menu above and select "CSV (comma delimited)" as the file type.

Note: Most cells have some level of validation, however, validation in Excel only functions when you actually type data in the cell. It is recommended that you selectively check validation in rows that
