WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more "projects" (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, MINEOLA PROPERTIES LLC, a limited liability company organized and existing under the laws of the State of New York (the "Applicant"), presented an application for financial assistance (the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 1.3 acre parcel of land located at 250 Old Country Road, Incorporated Village of Mineola, Town of North Hempstead, County of Nassau, New York (Section: 9; Block: 675; Lots: 2A & 2B) (collectively, the "Land"), (2) the demolition of the existing structures on the Land, (3) the construction of an approximately 350,000 square foot building on the Land, together with underground parking and other related improvements to the Land (collectively, the "Building"), and (4) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (the "Equipment"), all of the foregoing for use by the Applicant as a residential rental facility consisting of approximately 315 units, at least ten percent (10%) of which units shall be affordable units (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing, including potential exemptions or partial exemptions from real

WHEREAS, the Agency desires to provide for compliance with the provisions of Section 874(4) of the Act with respect to the proposed deviation from the Tax Exemption Policy;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. The Agency hereby determines that the Agency has fully complied with the requirements of Section 874(4) of the Act relating to the proposed deviation from the Tax Exemption Policy.

Section 2. Having reviewed all comments and correspondence received at or prior to the IDA Meeting from the affected tax jurisdictions, the Agency hereby approves the proposed deviation from the Tax Exemption Policy as described in the Pilot Deviation Notice Letter (a copy of which is attached hereto as Exhibit A) because the proposed deviation is necessary to induce the Applicant to undertake the Project and the real property taxes would not be decreased below their current levels.

Section 3. The Chairman, Vice Chairman and Executive Director of the Agency are each hereby authorized and directed, acting individually or jointly, to distribute copies of this Resolution to the Applicant and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution. If the Agency hereafter adopts appropriate final approving resolutions with respect to the proposed straight-lease transaction with the Applicant (the "Transaction"), the Chairman, Vice Chairman, Executive Director and Administrative Director of the Agency are each hereby authorized and directed, acting individually or jointly, to cause the Agency to (A) enter into a Payment in Lieu of Taxes Agreement with the Applicant providing, among other things, that the Applicant shall make payments in lieu of taxes consistent with the

formula set forth in the Pilot Deviation Notice Letter, and (B) file an application for real property tax exemption with the appropriate assessor(s) with respect to the Project Facility.

Section 4. This Resolution shall take effect immediately, but is subject to and conditioned upon the closing of the Transaction.

**NOTICE OF PROPOSED DEVIATION FROM
UNIFORM TAX EXEMPTION POLICY**

Dear County Executive Mangano:

Notice is hereby given that at a meeting of the Nassau County Industrial Development Agency (the "Agency") to be held on March 21, 2013 at 5:30 p.m. local time at the offices of the Agency at 1550 Franklin Avenue, Suite 235, Mineola, New York, the Agency will consider whether to approve the application of MINEOLA PROPERTIES LLC, a limited liability company organized and existing under the laws of the State of New York (the "Applicant"), for certain "financial assistance" which, if granted, would deviate from the Agency's Uniform Tax Exemption Policy (the "Policy") with respect to the payment of real property taxes. The meeting of the Agency will be open to the public.

The Applicant has submitted an application (the "Application") to the Agency requesting that the Agency consider undertaking a project (the "Project") consisting of the following: (A)(1) the acquisition of an interest in an approximately 1.3 acre parcel of land located at 250 Old Country Road, Incorporated Village of Mineola, Town of North Hempstead, County of Nassau, New York (Section: 9; Block: 675; Lots: 2A & 2B) (collectively, the "Land"), (2) the demolition of the existing structures on the Land, (3) the construction of an approximately 350,000 square

foot building on the Land, together with structured parking and other related improvements to the Land (collectively, the "Building"), and (4) the acquisition and installation therein and thereon of certain furniture, fixtures, machinery and equipment (the "Equipment"), all of the foregoing for use by the Applicant as a residential rental facility consisting of approximately 315 units, at least ten percent (10%) of which units shall be affordable units (collectively, the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the General Municipal Law) with respect to the foregoing; and (C) the lease (with an obligation to purchase), license or sale of the Project Facility to the Applicant or such other entity as may be designated by the Applicant and agreed upon by the Agency.

The Application states that the Applicant is seeking an abatement of real property taxes. However, based upon preliminary negotiations between representatives of the Applicant and the Agency, the parties contemplate that the Agency may agree to grant an approximately twenty (20) year real property tax exemption (the "Property Tax Exemption") with respect to the Project Facility with annual payments not less than the follow amounts for the following years of the term of the Property Tax Exemption:

<u>Year</u>	<u>PILOT Payment</u>
1	\$80,362
2	\$165,545
3	\$255,768
4	\$351,246
5	\$452,237
6	\$558,981
7	\$671,721
8	\$790,697
9	\$916,222
10	\$1,048,562
11	\$1,079,984
12	\$1,112,369
13	\$1,145,800
14	\$1,180,115
15	\$1,215,554
16	\$1,252,038
17	\$1,289,567
18	\$1,328,221
19	\$1,368,081
20	\$1,409,146

Thereafter, and through the end of the term of the lease or installment sale agreement with respect to the Project Facility, the payments would be equal to the real property taxes and assessments that would be payable as if the Project Facility were returned to the tax rolls as taxable property and subject to taxation at its then current, full assessed value, as the same may be reassessed from time to time, and subject to tax rate increases imposed by the affected tax jurisdictions.

The Property Tax Exemption, if approved by the Agency, would constitute a deviation from the Policy.

The reason for the deviation is that the Property Tax Exemption, if approved by the Agency, is necessary to induce the Applicant to undertake the Project and that the PILOT payments would not be lower than the real property taxes that would otherwise apply with respect to the Land and the Building as of the Closing Date.

Sincerely,

NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY
