**Investment Income and Activity**

During the fiscal and calendar year 2016 the NCIDA’s operating account was maintained in a checking account at the Bridgehampton National Bank (BNB). Interest Income was earned on this account. A Money Market account was also maintained at BNB which earned a higher interest rate than the checking account. In September 2016 the Board ratified, via resolution, Empire National Bank (ENB) as an additional depository Bank, and a checking account was opened. Deposits up to \$250,000 at both BNB and ENB were guaranteed by the Federal Deposit Insurance Corporation (FDIC) and deposits above \$250,000 were protected and collateralized via custodian agreements and pledges of eligible securities. All pledged eligible securities per these agreements were held by Wilmington Trust (Manufacturers and Traders Trust Company /M&T Bank), as custodian (the “Custodian”).

For the full year 2016, the operating and money market accounts at BNB earned \$73 and \$7,091 interest income respectively. The account balances as of December 31, 2016 were \$155,199 and \$519,337. The ENB checking account earned \$1,282 interest income during 2016, with an account balance of \$1,701,282 as of December 31, 2016.

The amount earned was in line with the amount budgeted for calendar year 2016. The Corporation paid no fees, commissions, or other charges to any investment banker, broker, dealer, or advisor rendering investment services during the reporting period.
