RESOLUTION OF THE NASSAU COUNTY INDUSTRIAL
DEVELOPMENT AGENCY ESTABLISHING AN APPROVED
LIST OF QUALIFIED CONTRACTORS TO PROVIDE
CERTAIN TITLE INSURANCE SERVICES

WHEREAS, the Nassau County Industrial Development Agency (the "Agency") is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act"), and Chapter 674 of the 1975 Laws of New York, as amended, constituting Section 922 of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act") to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of manufacturing, industrial and commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, the Agency may from time to time require the services of firms ("Title Companies") to conduct title searches, cause the issuance of title insurance policies through authorized insurers and perform other title-related services in connection with the Agency's "projects" (collectively, "Projects"); and

WHEREAS, the Agency issued a Request for Qualifications to Provide Certain Title Insurance Services (the "RFQ") seeking statements of qualifications from interested Title Companies, and the Agency published notice of the issuance of such RFQ on March 22, 2017 in *Newsday*; and

WHEREAS, the Agency received statements of qualifications from certain Title Companies (collectively, the "Statements") expressing interest in providing the services contemplated by the RFQ (collectively, the "Title Services"); and

WHEREAS, in accordance with its Charter, the Finance Committee of the Agency reviewed the Statements, determined that interviews of the respondent Title Companies would not be necessary or desirable, found that all such Title Companies meet the minimum requirements set forth in the RFQ and are qualified to provide the Title Services, and recommended that the Agency establish an approved list of Title Companies to provide the Title Services; and

WHEREAS, the Agency desires to establish such an approved list of Title Companies to provide the Title Services;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF THE NASSAU COUNTY INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. The Agency hereby ratifies and confirms all actions heretofore taken by the Agency's staff and the Finance Committee in connection with the procurement of the Title Services pursuant to the RFQ.

Section 2. The Agency hereby determines that the procurement of the Title Services pursuant to the RFQ constitutes a procurement of services for the benefit of a third party and for which payment will normally be made from funds provided by such third party or a person or entity other than the Agency and, therefore, is not subject to the requirements of the Agency's Statement of Procurement Policy and Procedures.

Section 3. The Agency hereby determines that the proposed action is a Type II Action pursuant to Article 8 of the New York Environmental Conservation Law (including the regulations thereunder, "SEQRA") involving "continuing agency administration" which does not involve "new programs or major reordering of priorities that may affect the environment" (6 NYCRR §617.5(c)(20)) and therefore no Findings or determination of significance are required under SEQRA.

Section 4. The Agency hereby accepts the recommendations of the Finance Committee (i) that interviews of the respondent Title Companies not be required, (ii) that all of such Title Companies are found to meet the minimum requirements set forth in the RFQ and are qualified to provide the Title Services, and (iii) that the Agency establish an approved list of Title Companies to provide the Title Services.

Section 5. Effective as of the date of adoption of this Resolution, the Agency hereby establishes an approved list of Title Companies to provide the Title Services consisting of the Title Companies set forth on Exhibit A annexed hereto (the "Approved List").

Section 6. The Agency hereby authorizes and directs the Executive Director to select Title Companies from the Approved List from time to time in connection with the Agency's Projects, provided that the cost of obtaining Title Services shall normally be borne solely by the Project applicant or other third party person or entity. The selection of the Title Company for a Project shall be made by the Executive Director in his or her discretion in a manner designed to give full opportunity to all Title Companies to provide the Title Services. The Executive Director is hereby authorized and directed to negotiate and enter into a retainer agreement or similar contract with each Title Company, if deemed advisable or necessary by the Executive Director, on such terms and subject to such conditions as the Executive Director may deem advisable or necessary, subject to the terms of this resolution and the requirements of the RFQ. The Executive Director's execution of any such agreement or contract shall evidence the Agency's approval of the terms thereof.

Section 7. This Resolution shall not preclude the Agency from appointing and engaging other consultants as determined from time to time by the members of the Agency. The Agency reserves the right to cancel the Approved List at any time.

Section 8. This Resolution shall take effect immediately.
